

Learning mechanism	Gaming mechanism	Implementation	Usage
Explore	Selecting	Explore the ideal staff selecting employees	Select employees according to their profile
Plan	Reward	Bid on project to earn money	Bids with reward
Discover	Capture	Discover employees skills selecting them	Click on yellow figures to read their profiles

## Instructions:

*Learning mechanism:*

Write the name of one learning mechanism you identified in the game.

*Gaming mechanism:*

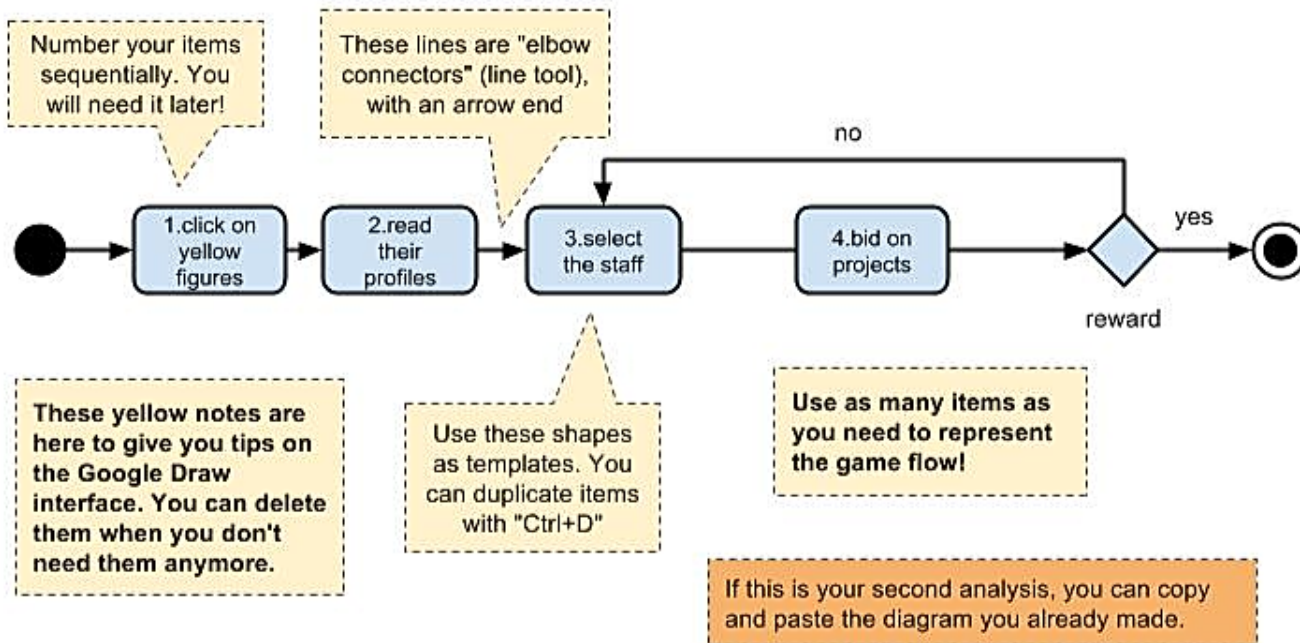

Write the name of one game mechanism you identified in the game and which is related to the learning mechanism in this same row.

*Implementation:*

How the Serious Game Mechanic (SGM), that is, the translation of a pedagogical practice into concrete game mechanics, is actually implemented in the game.

*Usage:*

Describe how the Serious Game Mechanism (SGM) is used in the game to achieve the intended pedagogical goals.

Game sequence node	Learning mechanic(s)	Gaming mechanic(s)
<Node number and name> (see cell A28)	<LM 1> (see cell A29)	<GM 1> (see cell A30)
<Node number and name>	<LM 2>	<GM 2>
Continue filling all the game nodes to list the LMs and GMs that are related to this point of the game sequence.	...	...

### Instructions:

*Game sequence node:* name.  
*Learning mechanism:* this game sequence node.  
*Gaming mechanism:* this game sequence node.
